Cyprien Thao · 1st
Web Software Engineer
March 8, 2024, Zilvinas worked with Cyprien on the same team

I highly recommend Cyprien as a talented and energetic software developer. While working together at VTest, I've been impressed by his exceptional problem-solving skills and deep understanding of modern technologies, including Vue3, NestJS, MongoD,B and TypeScript. He combines technical proficiency with a positive, enthusiastic approach, significantly contributing to our projects and uplifting the team spirit.

What sets Cyprien apart is his enthusiasm and passion for technology....
